

Modified 2 Hour Delay Schedule Effective Thursday, January 27, 2022

Steel Center will operate on a 2-hour delay when needed due to:

- Safety: If road conditions in our immediate area (as well as snow removal on the Steel Center campus) jeopardizes the safety of our students and staff.
- When determined necessary based on either hazardous conditions caused by precipitation or extreme temperatures.

Students, families, staff, and member school districts will be notified of a 2-hour delay by 6:15 AM through the automated system, our website, social media pages, and through KDKA, WPXI, and WTAE.

Steel Center's NEW 2-hour Delay Modified Schedule

- Staff will report as directed through the automated calling system. The time spent between staff arrival and 9:25 AM may be used for instructional planning, professional development, meetings, or other assigned duties.
- **Morning Session: 9:25 AM to 11:25 AM.** Students from Baldwin-Whitehall, Brentwood, Clairton, South Allegheny, Steel Valley, and West Jefferson Hills attend classes at Steel Center during these times. Arrival and departure of students may vary based on their member school district schedule and transportation.
- Staff lunch 11:25 AM to 12:10 PM; Staff prep 12:10 PM to 12:30 PM
- **Afternoon Session: 12:30PM to 2:30PM.** Students from Bethel Park, Elizabeth Forward, South Park, and West Mifflin attend classes at Steel Center during these time. Arrival and departure of students may vary based on their member school district schedule and transportation.

Student Transportation is provided by their school districts. Specific questions regarding transportation should be directed to the appropriate staff member or office within a student's member school district.

Note: Final confirmation to implement this NEW 2-hour delay schedule was sent to our member districts late in the day on Wednesday, January 26, 2022. We regret that this may have negatively impacted their communications to their students and families; or caused any confusion. We will work collaboratively on Thursday, January 27, 2022 to address any inconveniences caused by the timing of Steel Center's announcement to implement this NEW 2-hour delay schedule. Concerns regarding this should be directed to Steel Center's Executive Director Mr. Kevin Rice by emailing krice@steelcentertech.com or calling 412-469-3200 ext. 6741.
