

Flexible Instructional Day Plan

Program: Cosmetology, Mrs. Kusbit

Contact information: hkusbit@steelcentertech.com

Attendance: Attendance will be taken during the virtual class period, students can attend either the AM or PM session.

Virtual Meeting Lesson: AM virtual lesson begins at 8:00am, PM virtual lesson begins at 12:00PM. In both sessions, attendance is taken first, then a class warm up is done. Theory, lecture or review is done the first hour of class, depending on what we are working on, theory may last longer, then a written assignment is given. I remain online for the remainder of the class period to assist students and to teach students that may not have been present when class began. When teaching virtually, I use the BIG Blue button option in Canvas. I go over this with students in class and make sure all can log on and can enter virtual class.

Virtual Office Hours: 7:45am-10:10am/11:30-2:30

Technology Concerns:

Student Name: _____ **Student Signature**_____

Do you have technology concerns? Yes No

Concern: _____

If yes parent/guardian signature_____
