How will students get to and from Steel Center on the day of the performance exam?

Students taking the NOCTI will complete a survey regarding transportation on March 3, 2025. We will use the results of this survey to determine to ensure that all students who are testing have appropriate transportation. If you have not completed the survey, please report to student services.

Why is the NOCTI important and how can a student benefit from taking it?

Students must participate in the NOCTI Exam in order to be considered a completer in their CTE program. Students who are completers and receive a high school diploma or equivalent will receive a Pennsylvania Skills Certificate and may be eligible to earn SOAR credits.

How long is the NOCTI Performance Exam?

NOCTI Performance Exams vary in duration. They range from 4-6 hours depending on the tasks that need to be completed and the number of testers in the program area.

When will the written portion of the NOCTI exam be administered?

The written portion of the NOCTI exam will be administered between March 17-March 26.
