STEEL CENTER FOR C.T. E.

Friday, January 15, 2021: AM & PM

Today's Inspirational Message: "Today's Accomplishments Were Yesterday's Impossibilities."

– Robert H. Schuller

Announcements:

Martin Luther King Day – No School Monday, January 15, 2021.

ASVAB TESTING

Steel Center will be hosting the ASVAB test in person the week of January 25-29th. The Armed Service Vocational Aptitude Battery is a great career decision making tool. It helps you understand what you would be good at in terms of a career. You don't have to be interested in a career in the military to take this test.

The test takes two days to complete. You will test on the days that you are scheduled to attend Steel Center. There are no make-up dates so you need to be present on both days. Testing will take place in room 215. You can sign up in student services or email Mr. Hinkle shinkle@steelcentertech.com

Congratulations to all the MP2 Extra Effort Award Winners!!
