

Act 34 Pennsylvania Criminal History Clearance Instructions

Act 34 Pennsylvania Criminal History Clearance

The Pennsylvania State Police has established a web-based computer application called "Pennsylvania Access to Criminal History" or PATCH. Using this system, a requestor can apply for a criminal background check on an individual. Eighty percent of the time, "No Record" certificates are returned immediately through the Internet to the requestor.

- Go to "New Record" and follow the instructions.
- The reason for the clearance is **EMPLOYMENT**.
- **VOLUNTEER** clearances will not be accepted for employment purposes.
- When the Search Results Table appears, click on the **Control Number**. (*Hint: Write down the Control Number for future access to your Official Clearance.*)
- The **Records Check Details** page will open, but this is not the official clearance and it will not be accepted by the employer.
- To access your **Official Clearance** you will see a blue text "**CERTIFICATION PAGE**". Click on the blue text to access your Act 34 Pennsylvania State Police Clearance.
- Print and save the official clearance for your records and submit a copy to the Steel Center Administration Department.

A \$22.00 fee applies to process the clearance online. The requestor will be required to pay via credit card or debit card online. Below is a link to access the "PATCH" website:
